

Earthquake Action

Written by Scott Blair

Neighbourhood Watch in Spain - (Vecinos Cooperando y colabando de espana) has been involved in the plan of action should an earthquake occur in the Torrevieja area. The Neighbourhood Watch people involved with the extra skills required to help in situations likely present in a time of crisis will be an additional help to the police etc. Should you wish to become involved in not only helping in this type of situation but in helping create a safer and more secure environment please join in you local area branch or start one of you own.
