

Holiday security

Written by Scott Blair

Now that the holiday season is in full swing it is worth remembering a few simple actions that can make for a happy and trouble free holiday. 1. Keep your passports in a safe place. 2. Only carry with you what is necessary for the outing.

3. Where you are staying always lock doors,gates and close windows. 4. On entering your car always use the central locking immediately.

5. When using an ATM at a bank etc always be careful of your surroundings.

These simple actions will greatly enhance your safety and security.
