

Be more careful it's Christmas Time

Written by Scott Blair

Be more careful it's Christmas Time.

At this time of year its more important to think about your security due to the extra items in your home bought as presents etc. - remember to lock doors, windows, gates and set your alarm in your house. When shopping remember to be aware of all the many scams that thieves use and if using your car make sure the central locking is used immediately on entry. Remember if using a hire car to remove the window sticker of the hire company and remind your friends and neighbours to do the same - be safe in this festive season.
