

This page gives an overview of our website resources and where you can find them. There are publications, forms, leaflets, presentations etc which you might find useful when promoting NHW to your local police, town hall, coordinators, or for creating fliers & leaflets for use at local exhibitions or events. Please feel free to download and tailor the information to meet your local needs but remember you must submit any changes to the Managing Committee for approval. If you have any items that you think might be useful to others please send them to the Secretary at nhwfrutales@yahoo.com and we will add them to this page.
